## MYSORE PUBLIC HEALTH DEPARTMENT.

### VACCINE INSTITUTE, BANGALORE.

*Notification dated 11th August 1919.*

Notice is hereby given that sealed tenders will be received up to the 30th August 1919, inclusive, by the Superintendent of the Vaccine Institute for the supply of straw required for the Institute from 5th September 1919 to 31st December 1919.

2. No tender will be received after the date mentioned above.

3. The tender should be superscribed "Tender for the supply of straw for the Vaccine Institute," and should be accompanied with a deposit of Rs. 50 in cash.

4. Tenders will be opened by the Superintendent of the Vaccine Institute, at 10 A.M., on the 30th August 1919, in the presence of such tenderers as may choose to be present.

5. The Superintendent reserves to himself the right to reject any tender without assigning any reason for doing so.

6. The successful tenderer's deposit will be retained and he will have to execute the usual contract bond within three days from the date of acceptance of the contract, failing which his deposit will be forfeited to the Government.

7. Tenders must specify the rates in lbs. per rupee for paddy and ragi straw separately.

8. The straw should be quite dry and of good quality and should be supplied in such quantity as the undersigned may require, within a week from the date of order.

9. The contract must not be sub-let.

10. The probable quantity of straw (paddy or ragi) required will be about 3,000 lbs. per month. But the quantity is not guaranteed.

11. No advance of cash will be made to the contractor. Payment for the straw supplied will be made by the Superintendent by about the 5th of the following month.

12. A fine not exceeding Rs. 20 will be levied at the discretion of the Superintendent, Vaccine Institute, for every infringement of the stipulation of the contract, and if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.

13. The decision of the Superintendent, Vaccine Institute, will be final in all questions of infringements of contract.

*Superintendent.*

## MECHANICAL ENGINEERING SCHOOL, BANGALORE.

*Notification dated 5th August* 1919.

1. Notice is hereby given that sealed tenders will be received by the Superintendent, Mechanical Engineering School, Bangalore, till (Saturday the 30th August 1919, 12 noon) for the supply of the undermentioned articles required for the use of the workshop attached to the school, during the official year 1919-20.

2. An approximate estimate of quantities required is given against each item in the list. (Quantities are not guaranteed).

3. Tenders should be submitted in the following form showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100 in Currency Notes, as earnest money, and be superscribed "Tenders for the supply of materials for use of the workshops at the Mechanical Engineering School, Bangalore, for the period from (1st September 1919 to 30th June 1920)."

5. The final acceptance of the complete tender or any portion thereof will rest with the Inspector-General of Education in Mysore who does not bind himself to accept the lowest or any other tender or assign any reason whatsoever for the rejection of any tender.

6. Within a week of the acceptance of the tender, the successful competitor will be required to execute a contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the Mechanical Engineering School, Bangalore. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of any of the tenders, the earnest money on the rejected tenders will be returned.

9. The successful competitor shall guarantee to maintain sufficient stock of materials enumerated in the list and comply with all the indents made on him within three days of receipt of order sent to him during the said period of agreement.

10. The rate tendered for each item shall include the cost of delivery at the stores of the Mechanical Engineering School and shall be binding on the supplier, for the above period.

11. Materials supplied, if found not up to the standard, in quality or specification, will be rejected and the supplier shall remove and replace the same with such materials as would satisfy the specification.

12. Clear specifications for the various items must accompany the tender.

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the material is purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

14. All the materials received will be weighed again in the school and the weights thus arrived at should be accepted as final.
